## FEDERAL AND NON-FEDERAL EXPERIENCE

Digital Venture has been providing marketing and design services for clients since **2012**. Since 2017, Digital Venture has worked closely with our teaming partners as a sub-contractor on federal contracts. Our dedicated in-house **web designers, programmers, graphic designers, and administrative personnel** are **experts** in the marketing field. Below are a few of the federal and non-federal projects we have worked on.

### Army Environmental Command

Web Development, Graphic Design, Writing/Editing content for web pages and multimedia, Video Editing, and 508 Compliance.

### North Dakota National Guard

Digital Media Planning, Landing Page Development, Lead Generation, Social Media Advertising, FaceBook, Instagram, and Snapchat.

### Community Care HMO

Programming, Web Development, Web Design, Content Writing, and Development of an internal intranet system to house and manage all internal documents.

### Bureau of Ocean Energy Management

Graphic Design Projects, Content Writing and Editing, Layout Design and Development.

## Michael Bridges - Chief Executive Officer

Michael is a proud U.S. Army Veteran and a member of the Cherokee Nation. With 10 years of service as an Infantryman, Michael implements the core values of integrity, honor, and selfless service into his leadership of the company. With over 20 years of experience, Michael began working with building websites and graphic design in 1998. A family-oriented man, Michael enjoys spending time with his wife Kristina and their three children. He is a proud and active member of Jenks Lodge #497 A.F. & A.M. and an advisor for the Order of DeMolay.
